

Title: DRS'd my \$GME shares today. What happens next? Do I create a Computershare account or do they reach out to me when they receive my shares?

Hello, Brett! This is Ashley here with premium services at Fidelity. I understand you are wanting to register some GME shares today. Is that correct?

Hello, Ashley! Correct, I would like to initiate that process today.

Okay, great! I'm happy to help with that request today. While I have you, is there anything else you will be needing help with?

Not as of this moment, thank you.

Okay great. Is this in your Roth IRA account ending in ~~XXXXXX~~

This would be from my individual account, I would like to keep Roth IRA with Fidelity.

Okay, thank you for clarifying that!  
How many shares would you like  
to register today?

I would like to register 50 shares today.

Okay, perfect. Give me just a  
minute or two to submit this  
request for you.

Alright, Brett, I have submitted this  
request to direct register 50 shares  
of GME for you. That will take  
about 3-5 days to complete.

Thank you, Ashley. Can you let me know  
what I should to happen after  
completion? Any notification or  
confirmation of sorts?
