**Warren Gunnels**

@GunnelsWarren

Dollar Tree made \$1,230,000,000 in profits this year, gave its CEO \$10,767,883 and pays workers as little as \$8.32 an hour. Over 7,400 Dollar Tree employees are forced to rely on food stamps and Medicaid subsidized by U.S. taxpayers. Cite the damn corporate greed.

**NBC News**  @NBCNews · 7h

Dollar Tree raises price point to \$1.25, citing inflation. [nbcnews.to/3r58ry3](https://nbcnews.to/3r58ry3)
