PROPOSAL5: APPROVAL OF AMENDMENT TO OUR CERTIFICATE OF INCORPORATION TO INCREASE AUTHORIZED SHARES OF COMMON STOCK

General

We are asking our stockholders to approve an amendment to our Third Amended and Restated Certificate of Incorporation (the "Existing Charter"), to increase the number of authorized shares of our common stock to 1,000,000,000, and correspondingly increase the number of authorized shares of all classes of our stock to 1,005,000,000 in order to implement a stock split of our common stock in the form of a stock dividend (the "Stock Split") and provide flexibility for future corporate needs. Our Existing Charter currently authorizes the issuance of 300,000,000 shares of common stock and 5,000,000 shares of preferred stock. If our stockholders approve this proposal at the annual meeting, Article FOURTH (a) of the Existing Charter would be amended and restated in its entirety to read as follows:

"(a) Authorized Capital Stock. The total number of shares of stock that the Corporation shall have authority to issue is 1,005,000,000 of which (i) 1,000,000,000 shares shall be shares of Class A Common Stock, par value \$.001 per share (the "Class A Common Stock" or "Common Stock"), and (ii) 5,000,000 shares shall be shares of Preferred Stock, par value \$.001 per share (the "Preferred Stock"), issuable in one or more series as hereinafter provided. The number of authorized shares of any class or classes of capital stock of the Corporation may be increased or decreased (but not below the number of shares thereof then outstanding) by the affirmative vote of the holders of a majority of the voting power of the stock of the Corporation entitled to vote generally in the election of directors ("Voting Stock") irrespective of the provisions of Section 242(b)(2) of the GCL or any corresponding provision hereinafter enacted."
