Why doesn't "Kenny" give up? He could just say: "Fuck it! i lost! Apes won!" and click on the Cover Button. His Company goes bankrupt. He tells the Court: "Sry, i don't have any Money" (While having all his money on the caymen islands). Taxpayers probably have to bail him out. He could then open a new company under the name of a family member. ... Or how about he uses his fucking money and lives his life without working. ... Why are rich people hording there money? ... Fucking Boomer Dragons! Use your Fucking Money for FUN! I am hodling GME. This is the "one-time" chance to get rich.
