I have tried using the instructions here:

https://old.reddit.com/r/GME/comments/ql4j71/ultimate_survival_guide_for_maple_apes_after/

And reached out to support they, very tersely, said I need to use a US bank in order to buy from them.

Just wondering if that was the case, or if I was being blown off.

I bank with Scotiabank Canada and have a USD Savings account with them. It even lists the proper routing code listed in the post I linked.

Thanks for your time.
