

Title: H&L; UK. Used CREST to apply new shares to apes account. Though after a google search looks to be a stock split not stock dividend split

Dear 

Thanks for your reply.

As stated in our previous message, we received the new shares in CREST and then applied them to accounts, so all qualifying shareholders' holdings will be showing correctly. We did not carry out an internal split of existing GameStop shares ourselves.

Kind regards,

Investment Helpdesk Correspondence Team
