Hi All,

Messaged and phoned HL today on this gamestop stock split dividend give out. They said we are eligible and it should sit in our accounts around beginning of August.

It also does not come under withholdings tax (15% for UK from US) as its a stock not cash and this applies for the ISA and also Share accounts.

I also made sure to ask that we won't be given cash but the actual stock and they confirmed.

I have some DRS shares also so dont worry about that but I have some in my ISA to avoid tax :).
