to me +

It's time to think about an exit strategy for your new position.

[View it & browse](#)

LEADS

Why it's important to plan your exit from the start

Now that you've placed a trade, don't forget about the next important step – your exit strategy. Having a plan from the start can help you:

- Take potential profits if you've reached your target gains
- Help manage potential losses by predetermining when to sell

Setting an exit plan for your latest trade doesn't have to be complicated and Fidelity can help. Define and set one today.
