Well this is interesting. I have been buying GME shares in TDA and then transferring them to CS. After every request I get a response back for processing time:

3/14/22 time to transfer is 3 to 5 business days

3/22/22 time to transfer is 5 to 8 business days

4/24/22 time to transfer is 4 to 8 business days

5/5 /22 time to transfer is 2-4 weeks
