And there we have it folks, the explanation for this morning's market gains. Yes Sirree Bob, looks like markets are reacting well to these global events... except for "certain" stocks. In fact, these "certain" stocks really hated this good news. So much so, it looks like these "certain" stocks took a nosedive as investors were selling in droves.

Ape scratch head, sighs and then HOLDS! ...as usual for GME Apes.

Obligatory for this post...
