TLDR: This is a story about Laser Haas and how he has been silenced every step of the way fighting this "targeted for bankruptcy" self-fulfilling prophecy with eToys against **Bain Capital and Goldman Sachs**. The levels of corruption that take place against him trying to save eToys is INSANE; there was **perjury, lying under oath, disbanding a task force that handled his complaints, bad actors pretending to represent eToys when the lawyers for both sides were actually on the same team and blocked any other lawyers from representing them, threatening whistleblowers, and even forging Laser's resignation.**

Laser is the court appointed fiduciary of eToys that was defrauded by MNAT, Paul Traub to benefit from Goldman Sachs & Bain Capital Billion dollars fraud; that MNAT partner, Colm Connolly (BCG v GME case Judge) was arranged to fail prosecute (@realprosecutor)

This is a doosey with a lot of players, but I guarantee its worth the read, this is why this shit continues to happen. So please read slowly.

****Meet the infamous Judge Colm Connolly:****

Colm Connolly was a partner at MNAT from 1999-August 2001.

This is the same time Mitt Romney claims to be ****"retroactively retired."**

How convenient..

Why is this MNAT partnership relevant?

Goldman Sachs also did some very dirty shit to eToys IPO.

MNAT was Laser's & eToys lawyer.

MNAT was hired to represent Laser & eToys against **Goldman Sachs** and Bain Capital.

MNAT also destroyed eToys Books & Records while benefiting from perjury.

Later MNAT and Paul Traub tried to even **bribe** him!

He turned them down firmly and then reported it and at this time is when Colm returned to DOJ.

Colm then used his powers there to block Laser's case even after Paul Traub and MNAT confessed to **MANY** perjury attempts.

Once Colm Connolly was snuck back in as US Attorney, then **MNAT forged Laser's resignation.**

They then replaced him with Barry Gold.

Barry Gold and MNAT nominated Paul Traub to sue Sachs on **behalf** of eToys.

In essence.. Sachs just sued Sachs..

MNAT, Barry Gold, and Paul Traub pretended to be opponents when they argued to block eToys shareholders from having separate lawyers.

Laser then finds and gets them to confess to **lying under oath in 2005.**

At this time the Deputy Attorney General emails Laser a promise to address.

Laser THEN finds out Paul Traub, Barry Gold, and MNAT are doing another \$100M fraud in Kay-Bee.

How ballsy do you have to be to be pulling this shit?

Maybe just maybe, if you know you will NEVER be prosecuted you can get away with anything.

Laser becomes a whistleblower and then coincidentally **Deputy YSAG Lawrence Friedman resigns.**

Then in 2007, he learns about Colm Connolly's resume proof.

Laser then files a complaint with the ****Public Corruption Task Force on December 7th 2007.****

I shit you not, a few weeks later they shut down the entire task force.

<https://www.latimes.com/archives/la-xpm-2008-mar-20-me-shakeup20-story.html>

At this point how can you not see the blatant corruption going on in this entire ongoing corrupt fiasco?

This is what happens when you try to fight injustice.

****Need as many eyes on this as possible lets bring some skeletons out.****

Colm Connolly

Paul Traub

Mitt Romney

Bain Capital

Goldman Sachs

Cheers!
