Ive been holding as Many of you since january21.

Ive holding and holding. As you know the price is so volatile.

Im very newbe in stock market.

I was reading the sub, and many of you have "hope/faith/Knowlwdge" that the next call expiration will be very important day.

So, why 21/28 is important ? Its about volume? Or the last friday is more important o special ?

Or it Just another "feeling"?

Gme 2 the moon!
