Here's to the Retarded Ones

Here's to the retarded ones. The apes and appettes. DFV and RC. Queen Kong, DRSing and HODLing. The oblong bananas in /u/rickofspades hole. The ones who see things differently. They're not fond of Shorts. And they have no respect for Kenny the Mayo Man. You can quote them, disagree with them (good luck with all the DD), or vilify them. About the only thing you can't do is ignore them or their wives' BFs.

Because they change things. They push all apes forward. And while some may see them as the retarded ones and certainly not cats, we see genius. Because the people who are retarded enough to think they can fuck the Hedgies, are the ones who do.

LET'S FUCKING GO!!!
