The tin foil hat may be on a little too tight, just had a thought about how random his tweet was today...

Nothing comes to mind for this one -

"Flatulence is the best icebreaker"

His reply tho

"Preferably On the First Date to Efficiently Assess Devotion"

My mind instantly jumped too "POF dead"

Honestly had no idea if POF was an acronym in the world of stonks, so I searched it up

POF - Proof Of Funds

Still not too sure if that could be relevant to our situation or not.

Looking for a conversation around this and any possible ideas using the same method for his first tweet...
