Hi I have question I'm Europoor from Poland and I have xxx shares from DEGIRO and xx from eToro. And it's very hard to transfer my shares and my question is what happened if GameStop share go up 50k ? DEGIRO and e-toro thay can remove sell button ? Or it will be no problem and I can sell my share normally? Degiro tell my that my share don't be block and I have right to sell my share
