Breaking News holding slate

The owners of the Chicago Cubs and Ken Griffin, the billionaire hedge fund tycoon, have joined forces to table a blockbuster bid for Chelsea Football Club.

Sky News can exclusively reveal that the Ricketts family and Mr Griffin have formed an investment group that will lodge a formal offer for last season's Champions League-winners on Friday.

The development, which will be publicly announced on Wednesday, presents a formidable competitor to rival bidders as Roman Abramovich's 19-year tenure as Chelsea's owner draws to a conclusion.
