Can we get another GME bingo update? You know, the ones where it has a bunch of squares on a piece of paper with stamps or X's on them? I'm sure the recent series of events has triggered a lot of the previous points mentioned in previous bingo boards. I'm too smooth-brained to make the bingo board myself, so I'm hoping one of you apes could make one to catch the rest of us smooth-brained up on recent events!
