\$GME From the 8k filled by Gamestop.

"GameStop will announce Immutable partnership/GameStop NFT marketplace in a shareholder company filing (either 10-K or 10-Q) if approved by GameStop investor relations team, legal team, and the Board of Directors.

- GameStop will make reasonable efforts to include Immutable in a quarterly earnings update if approved by the GameStop investor relations team, legal team, and the Board of Directors.

- GameStop will provide two dedicated Immutable X press releases:

- one after contract execution which will be focused on the grant; and

- the other at the integration launch, which will be focused on the integration."

anywhere, so say inside a "Fortnite" game, and that item can be bought from inside GameStop's marketplace because of the way that our order book operates as the shared back end to every single trading venue we power.

BRIAN SOZZI: When do you see this launching?

ROBBIE FERGUSON: Soon. So I think in the 8-K you'll see a time limit, but we see a much more aggressive launch with them.

BRIAN SOZZI: And how do you see-- so once it does launch, looking out, let's say, a year after this marketplace is established, how do you think it will help drive value to a GameStop?

ROBBIE FERGUSON: I mean, it's huge. Like, out of every single industry that has ever emerged in the world, look at the total
