Hi, new followers. Gonna throw this reminder out again: I tweet a lot about shoes, games, and sports. No particular order.

That said, of course I tweet about GameStop stuff, BUT we do not touch the land of you know what. We see you, and acknowledge you, but from a distance.

Also not everything is hint. Can I just say that. I love watching y'all try to parse info from a message but the theories are wild!

That said, enjoy your time here.
