Power to the Players 🛑

I've studied the stock and it's correlation to 741 and it appears everything revolves around those three numbers in terms of scaling, regression, time and space... Everything.

NO CELL NO SELL

This is not a meme

Nikola tesla said the key to the universe is understanding the power of 3, 6, 9

741 is a 369 triangle one hour ahead

Cow

- RC tweeted at 7:41 like three times in a row(?)
- last two earnings calls have been exactly 7:41 minutes long
- VW float was locked at 74.1% and squeezed
- ERC 720 + 21 (something about tokenization and blockchain)
- 7 (for) 1 Apple (\$AAPL) did a 7 for 1 split and RC is the largest individual Apple shareholder
