Hey all, I'm looking to DRS my GME shares and ASAP. Lots of info, but I haven't seen good news about RBC, a lot more with BMO.

Right now my shares are with WS and RBC TFSA. Is RBC genuinely super fucking slow as I have been reading or are they not that bad I.e. takes a week or two, not months.

My plan is WS to RBC (or make BMO account) and DRS from there. Thoughts? Appreciate the help, thank you.
