Just updating and feeding the bot! Its been a journey starting out in January of last year. Gained some wrinkles and ready for financial reform and tendies. Keep talking to family members and friends, the Splividend gets people excited again! Adding +22 for my Sister, and +27 for my other Sister as part of this batch. Also my mom bought an additional 10k in her 401k last week. We are the Change, Power to the Players! Love GameStop and Ryan Cohen!
