Fellow Ape (Shoutout to u/[\*\*minesskiier\*\*](https://www.reddit.com/user/minesskiier/)\*\*)\*\* helped me activate my GameStop level 2 wallet and got a bit of cash left over. Happy to help pay it forward. I would love to start a chain to help other confused apes activate their wallets. I love this community because we all help each other out.

Full disclosure: I can probably activate 1 or 2 more wallets depending on the activation fee. Hopefully other apes can jump in to help out those in need.
