SEC Regulation NMS allows you to request in writing a history of routing for your GME orders from your broker. On [page 507](<https://www.sec.gov/rules/final/34-51808.pdf>):

(b) Customer requests for information on order routing.

(1) Every broker or dealer shall, on request of a customer, disclose to its customer the identity of the venue to which the customer's orders were routed for execution in the six months prior to the request, whether the orders were directed orders or non-directed orders, and the time of the transactions, if any, that resulted from such orders.
