The Pulte files part 1 : PulteHomes

Hello. This is the first part of my studies into Bill Pulte. This first part we will look into The Pulte Home Business. It appears people all across the united states have been having problems with Pulte Homes for a long long time. From town halls to lawsuits. These are my findings.

The Pulte Files - Part 3: The BCG / Cashapp / Twitter Connection

We all know by now that a certain someone utilizes Twitter/Cashapp as there sole platform. In this post i wanted to take a deeper look into twitter & cashapps association with BCG.

BCG has long had its fangs in twitter/square & cashapp. They are also friends with Jack Dorsey. Who in turn is best buds with the current prom king of SS sub.

I know alot of you are mad that i am making these connections esp in regards to the new guy...But they exist. And they should be questioned.

\#Oh and one last thing

This guy resigned recently in 2020..he currently provides strategic advice to BCG

The Pulte Files - Part 4: BCG Rules everything around me

April 4th 2022 cashapp suffered a huge data breach but thats not the only one who suffered a data breach.

On October 24th 2021 Pulte Mortgage had indeed suffered a massive data breach.

\[Pulte mortgage breach\](<https://apps.web.maine.gov/online/aeviewer/ME/40/4facdc11-1686-45b4-b650-04f245df1eb5.shtml>)

\[Pulte Mortgage Breach\](<https://www.jdsupra.com/legalnews/data-breach-alert-pulte-mortgage-llc-8051682/>)

Flash forward to March 4th 2022.

Pulte Mortgage sends out an email announcing the breach to its clients

(That letter can also be found in the first link above)

Now onto the BCG part.

Pulte Mortgage offers it clients 24 months of “data security” via a company called Kroll / Kroll Securities due to the nature of the breach.

For a guy who’s so outspoken about his disdain for BCG the name Pulte sure does hire a-lot of companies that facilitate former/current BCG employees
