Smooth brain here. Does this mean when GME splits, they will owe the \$2.50 fee per share for each failure to deliver just like they do now pre split?

Link below for DTCC rules and regulations. Page 373 states "Fee for OW delivery notification request advisories aged 2 days or older"

https://www.dtcc.com/~media/Files/Downloads/legal/rules/nscc_rules.pdf

Also here is the picture of page 373
