Well, it is to say that [Lamborghini](<https://twitter.com/Lamborghini>) ride the meme stock wave like a boss. Wat means the NFT reference? Are they going to sell Lambo in the metaverses or in games? Maybe ones that can be use in both, using the same car in many games! Would Gamestop sell Lambo in their NFT marketplace!? A dream within a dream.<https://twitter.com/Lamborghini/status/1478410904836272131>
