I have completed my GME DRS transfer from DriveWealth (Revolut) on January 26th. I am from Bulgaria (EU). However, I have not yet received my first letter.

I have checked several threads that suggest you can contact Computershare UK and request the letter to be sent from there, but I don't seem to be able to connect to any number. I am trying to dial (via skype) +1 00 800 3823 3823, but nothing happens.

Is there another number I can use or anything else I should be aware of?

Appreciated!
