These are the type of gaming projects I'm really excited for, gave [the thread](https://twitter.com/Immutable/status/1567272179204771840?s=20&t=s4Xc68ZQp_9g7v1FSol-8w) a read and it's easily one of the few NFT games I'm genuinely looking forward to trying out. Hoping they end up on GameStop's NFT marketplace at some point, we're definitely in need of some gaming project love over there.
