Maybe people will wake up and start to realizing we need to do more than we have been. Buying and holding is not going to cause the squeeze. Registering shares isn't going to stop the corruption. The one single thing that has caused a reaction is social media and broadcasting our message to a wider audience.

Why isn't that promoted here? Because it's the one thing that can bring change and cause a catalyst. No one is going to save us but ourselves-we need to do more. They are playing chess and we continue to play checkers
