As the title says... Am I the only one who can no longer up/down vote comments? I can still color with crayons. Why can't I figure out how to vote on comments? Possible stroke?

Edit: After about 15 minutes, the up / down vote arrows have returned. I saw a post about Reddit planning to remove the upvote %. I wonder if the same might happen to comments?

As the title says... Am I the only one who can no longer up/down vote comments? I can still color with crayons. Why can't I figure out how to vote on comments? Possible stroke?
