I just saw this post about another ape [u/08volt](https://www.reddit.com/user/08volt/) that was denied their dividend by Computershare:

I also received the same notice a few days ago, but I responded firmly and a few days later received my additional shares.

What prompted this in the first place was that I had not seen the new shares which I recently purchased nor the stock dividend bonus shares to accompany them. However, I had already received my bonus shares based on my pre-existing and settled shares on the account.

Now here's my notice from Computershare, followed by my response, and finally award of shares in my CS account.

[Here is an email notice from Computershare to deny my shares](https://preview.redd.it/fl5ufq06k8f91.jpg?width=483&format=pjpg&auto=webp&s=5e3330e408f75f3942e500f71e3ded10c9ea052c)

Now, I am aware there is a Due Bill requirement if you purchase your shares before the ex-dividend date (last day 7/21/22). So here's my response:

[Sent response and attached the next image as proof](https://preview.redd.it/drgsdo7dk8f91.jpg?width=538&format=pjpg&auto=webp&s=fa114ed8adf4aa4c6ceb72ea321c2d8bd828f950)

Here's the receipt of transaction:

[Funny, I had to prove to Computershare that I bought shares from them..](https://preview.redd.it/usdu05pk8f91.jpg?width=594&format=pjpg&auto=webp&s=32e2d6051de5f93333dd76b99e17944eea233b11)

Then a few days later, I received this notice from Computershare after my response above:

[Nice, thanks for crediting my account after your denied me](https://preview.redd.it/rm2krbrhk8f91.jpg?width=539&format=pjpg&auto=webp&s=1aec3593fd57fd09170b19125eb6988a18dd8fba)

Here's the award within my account:

[Success: bonus shares awarded after contesting with Computershare](https://preview.redd.it/tdi1cxwlk8f91.png?width=1211&format=png&auto=webp&s=a65ab5651ad30212e364ebe396b04b5aecc4fedf)

So this makes me wonder, who else out there is just taking this notice and dealing with it? Seriously, do not settle and contest it! I know there must more apes out there that purchased during this period before the last day of dividend.

Contact Computershare and get your shares credited to the account - you ARE the share recall.

Here's another ape that got proof from Computershare chat that a Due Bill is awarded if purchased within timeframe (although his inquiry was about purchasing from brokers, I still applied the logic in my case and it worked out the same):

[Computershare confirms that purchases made up til 7/21/22 are entitled to Dividend shares](<https://preview.redd.it/k62wnzwok8f91.png?width=824&format=png&auto=webp&s=010b50b09e09f59d827c6dc38b04d31ce3de0030>)

Conclusion: I don't know if this was an oopsies with Computershare, but I've seen a few questionable things lately from CS like calling my favorite stonk a meme, sell-order adjustments, and I'm not giving out any passes.

If you or someone you know has received a letter from CS but you have proof the transaction confirmed then contact them via email and/or support. Every share taken out of DTCC locks the float and brings us a day closer because M0ASS is tomorrow.
