Every broker in the U.S comply under the DTC, a subsidiary of the DTCC. The DTC filed this as a stock split as per the code (FC-06). Brokers HAVE to comply by that filing. They do not comply under gamestop which used code (FC-02), a stock split via a dividend. The ONLY way you got a dividend is through computershare! They received the shares straight from Gamestop, untouched by the DTC. DRS YOUR SHARES TO SHOW HOW MUCH THE DTC FUCKED UP!
