Updating with 2 photos! My last post did not show the photos, not sure why, but here goes GameStop. We all hope that over a period of 5 years we get our return on investment, (ROI) and we hope it is up in the clouds! Mr Ryan Cohen did alright with Chewy. We have ordered lots of stuff for our dog. One time we got a bag of dog food that was opened, my wife notified Chewy and they sent a brand new bag. We tossed the other bag, I was going to give it to the humane society, but we weren't sure if it had been tampered with so we just trashed it. Hope this post shows the images.
