I was chewing on my favorite color again and thinking about the whole situation. I have a strong, fact based thought that I did not get my shares issued as a dividend. And then... I thought about the possibility of an NFT dividend. If I can't even get a share from a broker like I'm supposed to, there is no way in hell I'm getting my (possible)NFT dividend.
I sold myself. I'm going 100% ■ GameStop
