Hi. Regular lurker Ape here. Bought GME November 2020. HODL'd until today.

With all the DRS trend going on, one question I really would like to get an answer.

Did DFV DRS'd his 200k shares or not? or maybe a percentage of it?

Everyone one telling DRS this, DRS that... but how about the LEGEND himself?

One can only wish he did and post a screenshot, this will confirm all biases there is.

Yes, I DRS'd some on my shares as well.
