The screenshot shows a web browser displaying the Zacks Investment Research website. The page features a navigation bar with links for Home, Daily, Investing, Headlines, Business, Health, Sports, Leisure, and Technology. The main headline reads: "Zacks: Analysts Anticipate GameStop Corp. (NYSE:GME) Will Post Earnings of \$0.77 Per Share". Below the headline, it states "Posted by Bonnie Powley on Jan 13th, 2022" and includes social media sharing icons for Twitter, Facebook, LinkedIn, and Email. A sub-headline reads: "→ The MRI Industry Is In Deep Trouble (Ad)". The main content area features the GameStop logo and a detailed earnings report. The report states that Wall Street brokerages expect GameStop Corp. (NYSE:GME) to report earnings per share of \$0.77 for the current fiscal quarter, according to Zacks Investment Research. Two analysts have made estimates for GameStop's earnings, with estimates ranging from \$0.28 to \$1.25. GameStop reported earnings per share of \$1.34 in the same quarter last year, which would indicate a negative year over year growth rate of 42.5%. The business is expected to issue its next quarterly earnings report on Tuesday, March 22nd. According to Zacks, analysts expect that GameStop will report full-year earnings of (\$1.77) per share for the current year, with EPS estimates ranging from (\$2.32) to (\$1.22). For the next financial year, analysts anticipate that the company will report earnings of \$0.02 per share, with EPS estimates ranging from (\$1.37) to \$1.40. Zacks' EPS calculations are an average based on a survey of research analysts that follow GameStop.
