Once that day finally arrives that we decide to sell 1 share of GME at \$XX,XXX,XXX on Computershare, can someone explain exactly how that works?

I know we need to send a letter to Computershare to authorize a sale over a certain amount (\$250,000 I think). I'm assuming it should include:

Name, Account Number, Stating we approve a sale of 1 share?, Notarized?

I'm not attempting to spread any form of FUD, just genuinely curious as to how this goes through correctly so I'm not scrambling when the time arrives. Any insights or DD would be greatly appreciated!
