Long I pondered my Roaring Kitty's cryptic talk of victory. Time has proven him wise.

For from free Ape to free Ape, the word was spread that bold Ryan Cohen and his 10% initial investment, so far from CHEWY, laid down his own initial bets - not just for GameStop, but for all Stocks, and the promise this country holds.

Now, here on this ragged patch of earth called NYSE, SHF hordes face obliteration!

Individual Investors (APE) Army: HA-OOOH!!

Just there the politicians huddle, sheer terror gripping tight their hearts with icy fingers -- knowing full well what merciless horrors they suffered at the swords and spears of 120,000 30% DRS

Yet, they stare now across the plain at 179,000 Individual Investors commanding 51% free Float:
HA-OOOH!

Spartan Army: HA-OOOH! HA-OOOH! HA-OOOH!

Dilios: The enemy outnumber us a paltry 3 to 1; good odds for any Ape. This day we rescue a world from mysticism and tyranny, and usher in a future brighter than anything we can imagine.
