The people who really believe in gematria, numerology, sacred geometry, etc. are people who study ancient texts in esoteric Masonry or Theosophy. Some of these guys are quants at hedge funds.

The Phoenicians used a very neat twenty-two letter consonant alphabet to encode the sounds of their tongue. In time this script was adopted by most Mediterranean peoples and through its Latin variation came to be the alphabet that we use today.

Gematria uses letters as number symbols, so language becomes mathematics. Important canonical, geometrical, musical, metrological, and cosmological numbers are defined by many key terms in ancient texts. First appearing widely in ancient Greece, gematria was subsequently adapted to Hebrew and also to Arabic, where it is known as abjad. A simplified system also exists in all three languages using the same values without the zeros.

The example below shows two related phrases connected through an identical sum, itself the lunar radius in miles. It gives some idea of the magical and simultaneous resonance between words and numbers that any literate and numerate reader would have experienced, since for more than 1,000 years gematria was not merely an occult specialty but the standard way of representing numbers.

This secret science is still used today by mystics and sorcerers who use its connections between words, phrases, and number for their numinous significance and talismanic power.

# The Number 72 is the Trinary-Binary Number...

We find number 7.2 hidden in the square root of the slope angle of the Great Pyramid of Giza, the most magnificent structure humans have ever built, the square root of  $51.84 = 7.2^\circ$ .

Also, the base length of the square in DaVinci's Vitruvian Man is 7.2 inches (while the top length of the square is 7.071 inches =  $1/\text{sq. root } 2$ ), representing binary/trinary expansions of 72 at the point where the Vitruvian Man has his feet planted firmly on 'terra firma.'

All of the above establishes the paramount position of number 72, as well as all of its fractals: 7.2, 72, 720, etc. Especially so, it is the number that represents the merger of the hexagon and pentagon as the  $72^\circ$  exterior angle of a pentagon matches the sum of angles of the hexagon, being  $720^\circ$ . This is, in addition, of course, to their right triangle relationship we just saw.

The two numbers that stand for angular and harmonic references, 360 and 432, are both multiples of 72, with the factors being 5 and 6, respectively.

And with 72 defining all 3- dimensional geometry, this number has the power to bring space and time, geometry and numbers, the pentagon and the hexagon, binary and trinary, as well as angular and frequency references, into a harmonious unity and wholeness.

**\*\*It is the most universal of numbers.\*\***

# 7/26 will be 72 months since AMC's FTD's started appearing in the market.

# The number 27...

...is known as the "trinity of trinities." This is partially because 3 is the cubed root of 27. Additionally, 3 squared is 9 and 9 multiplied by 3 is 27.

The world is composed of water (salt and fresh), and the remainder belongs to land (27 percent).

The Hebrew and the Spanish alphabets both have 27 letters.

In the Bible, the twenty-seventh book of Proverbs has twenty-seven verses. After Julius Caesar's assassination, the Roman Empire was established in 27 BC.

The planet Uranus has 27 moons, and elephants have 27 pairs of chromosomes.

Lastly, many famous people who made a mark on humanity were born on the twenty-seventh of a month: John Steinbeck (February 27, 1902), Bruce Lee (November 27, 1940), Samuel Morse (April 27, 1791),

Amadeus Wolfgang Mozart (January 27, 1756), and Lewis Carroll (January 27, 1832).

Lockdown day 3/11/2020...

AMC showed signs of life on 3/22/2022... 741 days from 3/11/2022 and 420 days from the 1/27/21 run up.

33 Octal of: 27...

27 reversed is 72... AMC ath is \$72 from 6/2/2021 and closed at \$62...

The Bible speaks of 2 witnesses in Revelation 11:3...

Both McAfee and Q referred the number 11.3 several times. ( $11 \times 3 = 33$ )

$AMC = 17 = Q$

Q's last post was 12/8/2020.... 33 weeks later gives us 7/27/2021.

Guess whose Deadman's switch timer ran out on 7/27/2021? JOHN FUCKING MCAFEE...

Until recently, McAfee's last day to post was 11/4/21...

6/23/2022 is 33 weeks out from then.... 720 is the Sum of Divisors for 623.

33 days from 6/23 is 7/26/2022 ...  $7+26 = 33$

Skull and Bones Day (3/22) was 420 days from the 1/27/21 run up... 7/27/2022 is 420 days from the 6/2/2021 run up.

My eyes are on 6/23, 7/26&27... as well as 10/4 since it lands on the 144 fib time zone level from Pi Day (3/14).

Edit: Q started posting again 6/24/2022... one day after my first date prediction. Check out the time stamp @ 9:09

Now lets go to post 909...

Post 909 from 3/10/2018 talks about Planned Parenthood. Yesterday (6/24/2022), Roe vs Wade was overturned.

Ladies and Gentlemen, I present to you a Q Proof.

Future Proves Past.

So we have 2 things that happened yesterday 6/24/2022... Roe vs Wade was overturned and the investigation report was released. It was planned long ago... as far back as 2018.

Edit 2: 6/27/2022 was the day before a New Moon. AMC had a 13.31% gain. 1331 is a mirror number and

a very powerful number to the occult. [Here is a video showing how powerful 1331 can be.](<https://youtu.be/iq5d-Rgduv8>)
