FUCK YOU GG, you piece of shit. You have sat by and watched the fuckery for over a year. It's so obvious that a 5th grader can see it, yet you do fucking nothing? You suck.

They fuck over the price of GME all day, let it get momentum and go green, then attack it to drive it down 6-8% at close, and you're sitting there with your dick in your hand stroking to the gay section on Porn Hub? (No offense gay apes)

Just like you have been for the past year plus, I am not surprised you're a useless fucking piece of shit that is bought and paid for by Wall Street. FUCK YOU, asshole.
