I love this company and the man RYAN COHEN. Never sold a share and neither have I!

GME is the Way

DRS is the Way

42069 is the Way

The NFT marketplace is awesome, and I can't wait to receive my NFT dividend. I'll never sell.

Imagine all of us getting them and not one goes up for sale! I used to believe in other stocks until the DD was read and everything is coming true.

HODL!!!
