## About

My career has almost exclusively been in the investment/financial field, and more recently has take the direction of advice through freelance writing within the same arena. I've been published by Motley Fool, Investopedia, and others. However, I'm always looking to add new clients who are in need of meaningful and unique written content and commentary.

Recent commentary regarding meme stocks is right about something: Each round of meme stock mania seems to be less potent than the previous. The trading crowd seems to be figuring out that most of these tickers are too unpredictable to treat like long-term holdings.

### 10 stocks we like better than AMC Entertainment Holdings

When our award-winning analyst team has a stock tip, it can pay to listen. After all, the newsletter they have run for over a decade, *Motley Fool Stock Advisor*, has tripled the market.\*

They just revealed what they believe are the [ten best stocks](#) for investors to buy right now... and AMC Entertainment Holdings wasn't one of them! That's right -- they think these 10 stocks are even better buys.
