Hey all, reposting an important reminder first brought up (afaik) by u/Tickely\_Tits:

# Make absolutely sure you log in to your Computershare account at least once per year.

# EDIT: u/JG-at-Prime below w/ some extra genius:

[\*\*“California will Snatch that shit ASAP! Also, I would never expect to get exactly what was in the account back, only a cash equivalent. Log in at least once every 6 to 10 months! Don’t even give them the opportunity.”\*\*]([https://www.reddit.com/r/Superstonk/comments/vbtgpq/psa\\_important\\_reminder\\_for\\_every\\_gme\\_hodler\\_old/icaah6z/](https://www.reddit.com/r/Superstonk/comments/vbtgpq/psa_important_reminder_for_every_gme_hodler_old/icaah6z/))

**\*\*Here’s why:\*\*** On your Computershare DRS transaction sheet (the one everyone gets in the mail and some use to post with the account numbers covered) the following is stated at the very bottom in small bold print:

**\*\*“If you do not keep in contact with us or do not have any activity in your account for the time periods specified by state law, your property could become subject to state unclaimed property laws and transferred to the appropriate state.”\*\***

**\*\*=====\*\***

Here’s a screenshot of a Computershare chat u/Drewsky32 had confirming this is necessary:

# This is an important detail every GME HODLER should be aware of.

# Please consider making annual reminders and calendar appointments!
