Ok, so we know what happened. GameStop gave the dividend shares to CS, who gave shareholders thier REAL dividend shares, and gave the rest to the DTC (or DTCC....whichever one is reasonable for passing these out to brokers).

Obviously they ran out pretty quickly, and only a few of the brokers actually got real dividend shares.

The rest were (I guess) just told to chop all of the shares they already have into 4 and call it a split.

Obviously that's fucked up for so many reasons, but it is what it is.

All I care about is WHO IS GOING TO ENFORCE MAKING THIS RIGHT?

HOW ARE THEY GOING TO DO IT?

AND WHEN ARE THEY GOING TO DO IT?
