BCG filed its lawsuit against GameStop on March 22, 2022. According to the certificate of service, the Complaint was served on GameStop's agent on March 28, 2022.

Based on the March 28, 2022 service date, GameStop had until April 18, 2022 (21 days) to serve its Answer under the Federal Rules, absent some other agreement between the parties.

I have been checking PACER every day and no Answer is filed. There's not even a stipulation extending time to Answer. No lawyer has even entered an appearance for GameStop. Our favorite company obviously knows about this lawsuit because Ryan Cohen [tweeted](<https://twitter.com/ryancohen/status/1507046110497492992?s=20&t;=V7WT7cFzrBTEX6fj-OUm8w>) about it on March 24. So I can only presume that there's some negotiation going on behind the scenes.

Meanwhile, I'm still waiting for the Answer to be filed and feeling a lot like this guy.

Anyone have a clue what is going on?
