# Apes Have Locked Up This Many Million GameStop Shares On DRS: What's Going On?

by [Melanie Schaffer](#), Benzinga Editor  
September 8, 2022 2:18 PM | 3 min read

---

## ZINGER KEY POINTS

- Shares that are directly registered aren't available for brokers to lend out to short sellers.
  - Amid a shrinking supply an inability for short sellers could cause the mother of all short squeezes: #MOASS.
-
