@3C Nico @B. 🐙 have you considered ever getting into a podcast to talk about loopring. Not to pump it but...

B. 🐙

Today at 1:25 PM

We have some podcasts lined up, but we want to get more things out and fix some bugs on core products so that:

- 1) we have more to plug
- 2) when we get the word out in a major way, our products are smooth and seamless for larger onboarding (edited)
