I heard investors like myself are fatigued, so in my fatigue I DRS'd 20 more GameStop shares.

[20 more shares as Directly Registered Shares](<https://preview.redd.it/lxjep3ihzhm91.jpg?width=755&format=pjpg&auto;=webp&s;=98a00db196c8013c5d28a275b16f14c9212e2660>)

Looking at GameStop's release of 71.3 million shares having been (so far) registered by the 30th of July, the speed seems to be taking up. I'm thinking I need to buy some more before they run out of available shares. I mean, owning a Company like GameStop is beyond cool.
