It's a socially promoted stock that is disconnected from all fundamentals. By the way, I've followed you for a long time, love your charity. I hope it works out for you.

@pulte

Replying to @TripleDTrader

Main reasons: 1) I think Ryan Cohen is a great Founder CEO & 2) Balance sheet gives flexibility to do great things & 3) perhaps most importantly, I support the mission behind the movement and think GME has the best current probability to affect systemic change (needed bad!)
